Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. On Schedule B of your report, you have itemized disbursements for which you have failed to include the purpose. Please amend your report to include the missing information. (11 CFR § 104.3(b)(4))
2. Contributions from individuals and persons other than political committees must be itemized when the aggregate total from the contributor exceeds \$200 in an election cycle. This means that the committee does not have a reporting requirement of a contribution until the aggregate total exceeds the \$200 threshold. (2 U.S.C. § 434(b)(3)) Should a committee wish to disclose contributions that do not require itemization, it must do so on a separate Schedule A and report the total amount of the contributions not requiring itemization on Line 11(a)(ii), unitemized contributions, of the Detailed Summary Page information. (11 CFR § 104.3(a)(4)(i))
3. Please be advised that contribution refunds to individuals are not operating expenditures. These amounts should be disclosed on Line 20(a) of the Detailed Summary Page information and itemized on a separate Schedule B. (11 CFR § 104.3(b)(2))
